

## Arizona Rivers – Basic Plan of Events Mingus Springs Camp Workshop

Welcome to Arizona Rivers! We look forward to meeting you in July. We are still formulating the final schedule but your time in this workshop is likely to look like the following plan. We will be staying at group cabins that have single beds covered with a plastic mattress cover. Most guests just throw a sleeping bag and pillow on this although you could bring sheets. You will also need your own bath towel and a bag to carry your bathroom items to the shared bath house. We recommend that everyone bring good closed toe walking shoes/boots, a hat, bug spray and sun screen and a light jacket for the evenings. Here is a rough outline of what the daily routine will most likely be like:
